Dear Potential Sponsor,

Life Builders-Handsworth is a men's group based in Handsworth. The aim of Life Builders- Handsworth is to strengthen society through encouraging men and our youth to be involved in character building and integrity enhancing programmes.

Life Builders-Handsworth has teamed up with New Testament Church of God-Handsworth, to seek sponsorship for two 17-seater Ford Transit minibuses, one with wheelchair access. These are required for three of our main community projects.

Currently in the Handsworth area there is:

1. A thriving soup kitchen (Villa Cross Soup Kitchen) staffed by volunteers, catering for the homeless and those who do not have access to a hot meal.
2. A growing youth club which meets at the Light House (Six Ways, Aston) every Friday evening.
3. A Senior Citizens Club that uses the NTCG church building for their meetings and activities.

Many of our patrons face physical challenges in accessing these community services; as such our aim is to ensure that one of these mini buses has wheelchair access.

We are seeking sponsorship from you to support the purchase of these vehicles. The cost of the two minibuses will be circa £50,000. By helping to fund these vehicles you will be making a vast contribution to the community. In return we would be happy to place your company logo/brand on the vehicle as evidence of your kind sponsorship. This would also serve as a visible demonstration of your support to the community at large.

We are aware that you may have many projects to choose from however we do hope that you will choose to support us in our endeavour to continue to respond to the growing demand for these services in the local community.

We would be more than happy to have a further discussion with you should you wish.

Donations may be paid directly into the bank for the: **Mini Bus Project Acc. No: 10665622, Sort Code: 20-09-03**, cheques should be payable to **NTCG (Mini Bus Project)**.

Thank you in advance.

Yours sincerely

Terence Clarke
